OUR ASPIRATION

FOR GENUINE PARTNERSHIP

BORCO-HÖHNS has been helping people in every industry since 1954 with its mobile sales solutions: from affordable, compact sales vehicles all the way to high-end customised solutions. And our team is fully dedicated to mobile sales – just like you. All this means you can be sure of one thing: we keep our promises.

Is there something in particular you need? Do you have special ideas or requirements? We love a challenge.

OUR IDENTITY

IS YOUR REASSURANCE

EXPERTISE

Our customers rely on our experience and expertise. That's why we do everything to remain at the cutting edge of technology. Systematic staff training and intensive research are part of that.

INDIVIDUALITY

Every customer is different and every mobile business is special. That is reflected in our product range. We are solutions-oriented, flexible and creative, and this guarantees customer solutions that are innovative and a precise fit.

SECURITY

We accompany our customers daily in their mobile sales. As a genuine, dependable partner, we keep our promises and are always available to help and advise.

COMMITMENT

The success of our customers is what drives us most. It is for your needs that we develop outstanding solutions. Because we live and breathe mobile sales, we always put quality advice and support at the top of our list.

QUALITY

In general and in detail – a BORCO always offers the utmost quality: accurate planning, precision workmanship and the latest technologies, combined with high-grade materials, ensure that our vehicles last longer and retain their value.
